

Sportingbet

Sportingbet have over 550,000 customers from over 100 countries and have been trading since 1998.

Sportingbet is a fully interactive sports betting and casino service. Sportingbet cover the world's most popular international and US sports. They also feature a number of additional sports and special events ranging from motorsport, boxing, athletics, international competitions and even politics.

Sportingbet offer odds on many sporting events. American football gets better coverage than many other bookmaking sites with NFL full line and NFL fill line parlays and NCAAF full lines. UK football gets coverage but not to the extent of other sports betting sites. Asian handicap betting is available on selected football matches such as Champions league football.

For NFL betting lines, and NFL betting in general, Sportingbet are hard to beat. The range of bets available for NFL football is probably the most exciting available. For example, such offers as *"Place any 4 team or more parlay on games played this weekend, and if your wager comes in we will give you a 25% winnings bonus"* are typical. Sporting bet really go all out to provide a large and competitive NFL football service. For NFL betting lines, NFL proposition and NCAAF full line check out Sportingbet, you will not be disappointed.

Odds are available for for most other sporting events such as horse racing, basketball, hockey, golf, cricket, rugby etc. Sportingbet also run a casino and lottery for their members as well as sports betting.
